

## Invitation Digital Finance outreach Belgium

📅 Tuesday, May 5th 2020 - 9:00 AM (CEST) ⌚ About 30 minutes

ABOUT THIS WEBINAR

### - WATCH THE REPLAY -

**The Digital Finance Outreach 2020**, an initiative of the European Commission, is a series of events organised in different countries on fintech and digital innovation in the financial sector to prepare the new EU Digital Finance Strategy.

The Belgian event will take place on May 5 (online) from 9:00 until 12:00 and will focus on the following topics:

- A digital single market for financial services
- Promoting a more data-driven financial sector

FinTech Belgium

The first and biggest community of Fintechers in Belgium gathering professionals, startup entrepreneurs and investors interested in disruptive business models and new technology for the financial industry.
