Last update: 22 October 2022

This overview is purely for informational purposes and does not have any legal value. 'X' indicates that an equivalence decision is in place for a particular jurisdiction at the time of the last update of the overview table. However, the scope (e.g. full or partial) and nature (e.g. temporary or permanent) of equivalence decisions vary and must always be verified against the decision on equivalence for the particular jurisdiction concerned.

**Footnotes**

(1) Transitional regime for India only valid for reports on financial years starting before 1/4/2016.

(2) Argentina, Australia, Brazil, Canada, Singapore and South Africa do not benefit from CRA equivalence but benefit from the endorsement regime. **[to be checked by C3]**

(3) A transitional regime applies until 31/12/2023 (extendable until 31/12/2025) to third-country benchmarks already used in the EU as a reference for financial instruments, financial contracts or for measuring the performance of an investment fund. **[to be checked by C3]**
